Safe holiday celebrations

HONOLULU – The Hawai'i Department of Health (DOH) wishes everyone a joyous holiday season and reminds everyone to celebrate safely.

“Please, if you are eligible for a COVID-19 booster shot, get it now. Protect yourself and show aloha for family and friends by exercising caution this holiday season,” said Health Director Dr. Elizabeth Char, FACEP.

Here are things you can do to guard against COVID-19 during holiday get-togethers.

- Limit gatherings to household members
- Celebrate with fully vaccinated & boosted people
- Gather outside
- Wear masks inside
- Maintain distance
- Take extra precautions to protect kupuna and those who can't get vaccinated

Find information on COVID-19 vaccines and tests at www.hawaiicovid19.com.

COVID-19 case counts are soaring. We typically experience an increase in cases during and after holiday celebrations. Showing your love for family and friends will help the entire community.
